

**GMS 2024-2025 Tuition Statement**

Tuition can be paid in full at the beginning of the school year or in 9 monthly payments from September through May. Tuition is due on the fifth day of each month from September through May. Supply and technology fees are due in August. A reenrollment fee is due in the Spring for the following school year.

All tuition payments must be current for students to continue at GMS. A \$25 late fee will be charged if payment is made after the fifth day of the month. When payment is not received by the 15<sup>th</sup> of any month, parents will be asked to meet with administrators in order to resolve the issue as soon as possible. A service fee will be charged for returned checks.

In order to maintain services over the school year and avoid unforeseen tuition increases, it is essential that the entire tuition income be received. For this reason, it is understood that no reduction or remission of fees can be allowed for absences.
