

GMS 2025-2026 Tuition Statement

At GMS, we strive to provide a high-quality education in a nurturing environment. To help families manage tuition, we offer two payment options: Families may **pay in full** at the beginning of the school year, or make **nine monthly payments** from **September through May**, with payments due on the **5th of each month**.

Additional Fees include a Supply Fee due by **August 5th** and **Reenrollment Fee**, due in the spring for the following school year.

To keep everything running smoothly, we kindly ask that tuition payments remain current. If a payment is made after the **5th of the month**, a **\$25 late fee** will apply. If a payment hasn't been received by the **15th**, parents will be asked to meet with administrators in order to resolve the issue as soon as possible. A small **service fee** will be charged for returned checks.

In order to maintain services over the school year and avoid unforeseen tuition increases, it is essential that the entire tuition income be received. For this reason, it is understood that no reduction or remission of fees can be allowed for absences. We appreciate your understanding and commitment to supporting our school community!
